IF WE DON'T RECEIVE THESE COMPLETED, FILLED OUT AND SIGNED FORMS, YOU WILL BE REMOVED FROM THE TRIP.

- ☐ **Combined Parental Authorization for Student to Participate/ Authorization to Treat Minor Form** – Please be sure to sign BOTH signature blocks for this form and completely fill out ALL information requested. It is especially important that we get your contact information during the timeframe of the trip.
- ☐ **Authorization for Medication Form** – This form must be turned in by April 6, 2019 if you wish your child to receive medication during the trip. We are extending the due date since you will need your child's doctor's signature. However, we will NOT be able to dispense any medications (whether prescription or over the counter) to your child without this signed form – no exceptions!
- ☐ **Student Behavioral and Rules Contract**
- ☐ **Student Roommate Request Form** – Your child will need to list 3 students they want to share their room with on this form. Please make sure that they have spoken with the students they are listing on their form and that all have agreed to it. Their best chance of getting the group they want is if all 4 students put each other's names down. Every effort will be made to accommodate roommate requests; however, there is **No Guarantee**. All rooming assignments are final and will be made with the input of teachers as well as the Disneyland Committee. Even if you don't get all your roommates, there will be plenty of time to spend together at the parks. Any student who has not turned in a roommate form by February 22, 2019 will be assigned to an available room of our choice.

Please carefully read all the information provided and contact us with any questions.
